

ANNOUNCEMENT: Conferences are postponed!

Dear colleagues,

As the coronavirus pandemic is still spreading across the world, we, the Organising Committee of the ICA2020 and the ICSZ2020 – in accordance with our Scientific Committee and our Keynote Speakers – have decided to **postpone the conferences to March/April 2021!**

Even if it looks as if the infection curve for Italy is slowly flattening, infection rates are increasing in many other countries. This may cause insecurity in organizing your travel and in getting permissions (and funding) from your institution.

Therefore, we will postpone the **ICA 2020 to 26 – 28 March 2021**, and the **ICSZ 2020 to 28 March – 02 April 2021**.

Please refer to our website for updated information. And please do not hesitate to contact us anytime!

We are sorry for the inconveniences and hope that this decision finds you well.

Best wishes and stay safe and healthy,

Julia, Alexa, Michael and Pascal

Organizing Committee
