

ANNOUNCEMENT: Conferences are postponed!

Dear colleagues,

As the COVID-19 pandemic is still spreading across the world, we, the Organising Committee of the ICA2021 and the ICSZ2021 – in accordance with our Scientific Committee and our Keynote Speakers – have decided to **postpone the conferences to August 2021!**

To be in line with the new dates in 2021, and to leave the year 2020 behind us, we have updated the conference names.

We will hold the **ICSZ 2021** from **16 – 21 August 2021**, with the **ICA 2021** being a **dedicated session** within this week.

Please refer to our [website](#) for updated information. And please do not hesitate to [contact](#) us anytime!

We are sorry for the inconveniences and hope that this decision finds you well.

Best wishes and stay safe and healthy,

Julia, Alexa, Michael and Pascal
